

# Public management researcher

Continue your professional path with us!

PPMI is a leading European research and policy analysis centre. We help public sector and civil society leaders from around the world, presenting evidence in a way that is **simple, clear** and **ready to use**. We are a trusted partner, providing actionable insights, developing shared understanding among key stakeholders, and enabling policy implementation to bring about positive and lasting change.

PPMI **connects ideas and experiences** to build a world where policies work.

## COME PREPARED

A successful candidate will have:

- Bachelor's or Master's degree in political science, economics, public policy, public administration, business management or a related field;
- Strong understanding of and interest in public management in Europe and EU Member States;
- Excellent analytical skills and ability to apply them creatively;
- Knowledge of and experience in applying standard research methods;
- Good communication and presentation skills with emphasis on report writing;
- Excellent command of English.

The following will be considered an asset:

- Good command of other EU languages (preferably Lithuanian);
- Previous experience of analysing public management interventions or organisational performance;
- Interest to contribute to research projects and scientific publications.

## TAKE ON CHALLENGES

You should be ready to take part in a wide range of research, evaluation and advisory activities including but not limited to:

- Creating frameworks to monitor and evaluate public management interventions and organisational change;
- Conducting analysis of public management initiatives and organisational performance;
- Writing research and evaluation proposals and reports;
- Providing advice to decision-makers and civil servants.

## GROW WITH US

You should expect a fast-pace and dynamic environment, where the ability to work in teams and individually go hand-in-hand. In return, we offer:

- Competitive salaries and career prospects;
- The opportunity to work with and learn from renowned experts and established researchers;
- Training and coaching on research methods and public management/organisational trends;
- The ability to combine work with ongoing studies;
- Multicultural working environment and an ergonomic office space in the city centre.

If you think your skills are suitable for PPMI, send us your CV ([careers@ppmi.lt](mailto:careers@ppmi.lt)) with a subject "Public management researcher".
